

# THE HOSE PIPER

EDITION 2008-5  
SEPTEMBER - OCTOBER

## **“Have Your Say” about current health services**

**18th September 2008, at 2pm at the Working Men’s Club, Melton Mowbray**

The Health Forum invites you to a ‘Have your Say Day’ to discuss the implications of the recent Hospital Service Review. Leicestershire County and Rutland Primary Care Trust have developed proposals concerning community healthcare services and how they could be delivered in the future. The proposals set out future developments to ensure that:

- Patients get the most appropriate treatment, safely, in the most cost effective way, at home, or as close to home as possible.
- Community health services in Leicestershire County and Rutland are viable, suitable, accessible and fit for the next 15- 20 years
- We make the best uses of the resources available to us on behalf of the whole population

This ‘Have your Say’ day will be an opportunity for local residents to take part in open public discussion to put forward their views on and what they would like to see in the future. A representative from the PCT will be there to go through the consultation paper and to answer any questions.

## HOSE COMMUNITY ORCHARD

This is a bumper year for apples, although the plums seem to be poor. Some apples are ripe and falling; others are still improving. Make sure that you go and collect some – they make up your 5 a day, for free!

Heartstart is an initiative coordinated by the British Heart Foundation (BHF) to teach members of the public what to do in a life-threatening emergency: simple skills that can save lives. The aim of Heartstart UK is to promote and develop emergency life support training throughout the UK. Vale First Responders (VFR), your local Community First Responder group working with the British Heart Foundation and East Midlands Ambulance Service, has been fully trained and authorised by a British Heart Foundation appointed Training Director to deliver Heartstart courses locally in The Vale.

Courses are FREE. VFR will provide you with everything you need together with a booklet summarising each section of the course, a key fob face shield and most importantly, the confidence to take control in an emergency situation.

The next course is on **Tues 30th September at 7.00pm at Barnstone Country Club**. To book your place: Call Jayne on: 05601 637627 or 07887 531957
