HOSE FETE – SAT 4TH JULY

Plans are taking shape for a **10th Anniversary of the Village Fete**: it looks like being a great day, starting at **12.00 with a Car Boot Sale, the Fete at 2.00 pm and Hosenbury at 5.00 pm.**

The next meetings of the Planning Committee are scheduled for:

Thurs 28th May & Tues 8th June starting at 8.00 pm at the Black Horse.

‘Would you know how to save a life?’

For just two hours of your time you could learn simple life saving skills, by attending a Heartstart UK emergency life support course.

The course is provided free of charge, and covers a range of skills including CPR, the recovery position and how to manage severe bleeding.

There will be a course at Hose Village Hall on Tuesday 2nd June at 7.30 pm

To book a place, please contact Jayne Whitehead on 01949 860662

PROCEEDS GO TO CHARITY

The HOSE PIPER is funded by Hose Village Hall and charges no advertising fee, although donations to offset the printing costs are greatly appreciated.

PARKING PROBLEMS

The Police have started to get complaints about the number of cars that are regularly parking on footpaths, causing an obstruction and a danger to pedestrians. It is appreciated that in this day-and-age that many families own several cars and the village roads were not built to cope with the amount of traffic it now carries. However, owners must take care not to park in a dangerous position or so as to obstruct the passage of pedestrians along the footpath. This is particularly important on roads close to the village schools. Your neighbourhood officers will initially be leaving advice notices on vehicles parked on footpaths and vehicles that continue to cause obstruction may be dealt with by way of fixed penalty.

WHAT ABOUT A SKATE-RAMP?

With a new batch of young skaters around the village, the Village Hall Committee believes that the young people of the village could make good use of a skate-board ramp on the Village Hall site.

Are there any parents out there who would be interested in co-ordinating and fund-raising for the construction of a ramp for boys and girls to use?

If so, please contact a member of the Committee or email ifshose@f2s.com

PARISH COUNCIL ANNUAL REPORT 2008/9

John Machin, Chairman Clawson, Hose & Harby Parish Council

During the past year the government have published a revised Code of Conduct, a Model Publication Scheme and revised the planning legislation for permitted development. Quite a lot for Councillors to absorb!

The combined Parish Plan has now been published. This was compiled from the village plans compiled by Harby and Long Clawson. Two working groups have been set up to implement and monitor its findings. The implementation group consists of four Parish Councillors plus myself. The monitoring group consists of the remaining Councillors along with members of the consultation groups from the two villages and I also attend this group as an observer.

Progress is being made in making sure that the burial grounds that are the responsibility of the Parish Council comply with Health and Safety Regulations. This is an ongoing process and provision will have to be made in next years budget for the repair of some of the monuments. The diseased trees in both Long Clawson Cemetery and St Remigus Church have been removed.

Discussions with the committee of Harby Village Hall relating to the granting of a lease to enable a new village hall to be built are progressing. Grants have been given to Harby and Long Clawson village halls from the monies raised in the parish precept.

Three of the overgrown allotments in Long Clawson have been cleared. The waiting list for allotments has not changed numerically from last year.

A survey was carried out to determine the requirement of social housing in the parish. The report recommended that two small schemes of seven properties for local people should be delivered in the next two to three years, one in Harby and one in Hose. The survey found that no new social housing would be required in Long Clawson. A further survey should be carried out in three to five year's time.

New play equipment has been installed in Long Clawson and Hose to replace equipment that was beyond repair. A grant was received from Melton Borough Council to help towards this project.

The Nature Reserve in Harby is now getting some TLC and the recent litter picking in Harby and Long Clawson helped to tidy the villages.
